La Salle Arena

*Enhancing our Neighbourhood
"Together"*

The Caisse Community Centre Board of Directors are extremely excited to announce that the long awaited La Salle Arena project has been approved through our Municipal and Provincial governments!

With this announcement, we are formally kicking off our fundraising campaign to ensure that we have a facility that the residents of La Salle and the RM of Macdonald can truly be proud of!

The La Salle Arena will be a place for families to come together for a wealth of recreational activities. A place to develop new skills and drive healthy competition. A community focal point where we can face new challenges affecting our municipality. A facility that adds to the word 'HOME'.

With the addition of this much needed amenity, we will ensure that La Salle will remain a desirable place to raise our families. Now and for decades to come! But we need your HELP!

We are asking for your support to make the La Salle Arena the very best it can be! Please consider supporting this project with a donation that will recognize your family or business! Your support will truly make a difference!

Donation information is provided on page 4 of this pamphlet.

The Board of the Caisse Community Centre is deeply grateful for your support!

Arena Features

- The La Salle Arena will be a 31,508 square foot addition to the existing Caisse Community Centre building.
- Includes an NHL-size ice rink with year round ice capability, 6 change rooms, 405 person spectator seating plus indoor viewing area.
- Includes a main floor walking track with heated floor around the ice surface that can be utilized for fitness programming. 3 pickleball courts will be established within the arena for ice offseason.
- The Caisse Community Centre was designed to accommodate the arena addition and will utilize the existing facilities, spectator washrooms, commercial kitchen, canteen, office, lobby, utilities, parking lot etc.
- Highly efficient, modern packaged ice plant not requiring certified operators.
